

# Spotlight On:

## St. Joseph Health System

The St. Joseph Health System (SJHS) is an integrated healthcare delivery system sponsored by the St. Joseph Health Ministry and organized into three regions: Northern California, Southern California, and West Texas/Eastern New Mexico.

We provide a full range of care from facilities including 14 acute care hospitals, home health agencies, hospice care, outpatient services, skilled nursing facilities, community clinics, and physician organizations.

In our award-winning facilities, as well as non-traditional settings like school rooms and shopping malls, SJHS maintains a “continuum of care,” matched to the diverse needs of the urban centers, smaller cities and rural communities in three states who depend on us every day.

## Santa Rosa Memorial Hospital, *Santa Rosa, CA*

Opened in 1950, Santa Rosa Memorial Hospital is a full-service acute inpatient and ambulatory care hospital and a medical referral center for the Sonoma Valley region of California. This state-of-the-art, 414-bed facility provides a wide range of specialty services, including:

- Behavioral Health
- Cancer
- Emergency / Trauma
- Heart
- Intensive Care Nursery
- Neurosurgery
- Surgical
- Rehabilitation
- Women's Services

## Santa Rosa Surgery Center, *Santa Rosa, CA*

SRSC is specially designed and staffed as an outpatient or ambulatory surgery center. SRSC is the first surgery center in Sonoma County and is one of over 6,000 such freestanding surgery centers in the United States today. Our modern facility stands for the best in surgical care. We began caring for patients in 1982 and have helped over 60,000 patients and their families.

## Petaluma Valley Hospital, *Petaluma, CA*

Petaluma Valley Hospital is approximately 40 miles north of San Francisco, just off the Highway 101 corridor in southern Sonoma County in the town of Petaluma. Petaluma Valley Hospital is a public, not-for-profit community hospital operated by SRM Alliance Hospital Services, a Sisters of St. Joseph of Orange Corporation. Medical specialties include: 24 Hr. Emergency, Intensive/Coronary Care Unit, Imaging, Inpatient/Outpatient Surgery, Family Birth Center, Nuclear Medicine, Respiratory Therapy, and Physical/Occupational Therapy.

## St. Joseph Eureka

*Eureka, CA*

The first health care facility established by the Sisters of St. Joseph of Orange in 1920, St. Joseph is a full-service acute care facility with two campuses. Medical specialties include: Cancer, Emergency/Urgent Care, Imaging, Heart, Rehabilitation, Pain Management, Occupational Health, Sleep, Surgical Services, and Women's & Children's Services.

## Redwood Memorial

*Fortuna, CA*

Serving the Eel River Valley and the southern part of Humboldt County, Redwood Memorial Hospital offers holistic, patient-centered medicine. Medical specialties include: Inpatient/Outpatient Surgery, Maternity Center, Women's & Children's Services, and Emergency Services.

## St. Mary Apple Valley

*Apple Valley, CA*

St. Mary Medical Center offers a wide range of services from wellness and prevention programs such as diabetes education to an emergency department and heart care services including the only open heart surgery program in the High Desert. For over 50 years, this High Desert hospital has grown and continues to plan for the future progressing from a small hospital in 1956 to the comprehensive, 204-bed medical center it is today.

Medical Specialties include: 24-Hour Emergency Services; Chest Pain Emergency Center; Comprehensive Cardiac Services; Open Heart Surgery Program; Outpatient Surgery Pavilion; Comprehensive Prenatal Care; Healthy Beginnings Midwifery Services; Level II Neonatal Intensive Care; Pediatric Care; Diagnostic Imaging Services; Physical, Occupational & Speech Therapy; Diabetes Education Services; Senior Select Membership Program; Physician Select Referral Services ; Mobile Health Services; Robotic-Assisted Surgery Program; and Center for Wound Care & Hyperbaric Medicine.
